## Arts and Crafts Workshops

Uncover your creativity and learn new Arts and Craft skills virtually! We have a range of workshops taught by experts in their field that will provide you with step by step instructions on how to create works of art from home or together at school.

Class experiences include but are not limited to:

- Bees Wax Wraps
- Bread Making
- Jewellery Making
- Knitting
- Pottery
- And more...

<b>Duration</b>	<b>Pax</b>	<b>Activity</b>	<b>Method</b>
1 Hour	Min. 20		

## Amazing Race Virtual Activity

Virtually meet and greet local Australian students then divide up into teams having to follow a map of the city provided, solving clues, and completing challenges along the way with the goal of having your local Australian student being the person first to make it to the final checkpoint! During this activity, you will learn team building skills, learn about Australian culture and learn more about the city you are virtually orienteering throughout.

<b>Duration</b>	<b>Pax</b>	<b>Activity</b>	<b>Method</b>
2 Hours	Min. 20	 	

## AusID Global Workshop

Ever thought why you are different? You are not! You are just you! Our workshop will teach you how your individual personally traits influence your daily life.

Learn more about your personality, learning capabilities and potential career paths through personality profiling. Is your personality most similar to a playful Kangaroo, sensible Wombat, competitive Eagle, or harmonious Dolphin?

Following this workshop you will be matched with an Australian animal that represents your personality and can be provided with a 14 page report\* that provides you with a greater understanding of who you are and continue with your personal growth.

\*Extra cost may apply

<b>Duration</b>	<b>Pax</b>	<b>Activity</b>	<b>Method</b>
1-2 Hours	Min. 20	 	 

### Aussie Home Visit

Virtually experience true Australian culture by participating in an Australian BBQ dinner at a local Australian family's home. You will immerse yourself in Australian culture, learn some useful Aussie slang, learn about traditional Australian BBQ foods, observe cooking and preparation, and connect with locals through an unforgettable live-stream virtual culinary experience.

Duration	Pax	Activity	Method
1-2 Hours	Min. 10	  	

### Australian Butterfly Sanctuary

Virtually experience the largest butterfly flight aviary in Australia, home to over 2000 butterflies. Meet with a wildlife keeper who will guide you through the facilities providing you with myths and legends, what they eat in addition to learning about their anatomy and wing structure and how they get their beautiful colours.

Virtually tour through the butterfly laboratory where you will gain an understanding of the lifecycle of butterflies and moths, their amazing transformation from a caterpillar to a butterfly and have the opportunity to see caterpillars at different stages of development.

Duration	Pax	Activity	Method
1 Hour	Min. 20	  	

### Behind the Scenes Experiences

Behind the scenes virtual experiences provide you with specialised information taught by experts in their field in a specific area of interest. You will expand your knowledge, observe and experience a specific industry, and gain first-hand information within a wide range of topics.

Duration	Pax	Activity	Method
1 Hour	Min. 20	  	

Behind the scenes virtual experiences include but are not limited to:
